Dear

many thanks for your letter. It was good to hear from you. It is indeed a coincidence that Pat Carter and I have occupied this same position.

I too recall well and with much pleasure your visit to Paris. Tell Margie that the White Cat is well and is with me here in Washington. He has learned several new tricks. Around the end of the month I will move into quarters 22 Bar Ft. Myer.

As ever
Dick

Dear Dick:

Now that the flow of letters and numerous greetings are behind you I hasten to add my congratulations on your appointment. I think it's great that you and our mutual friend Pat Carter have had the opportunity of serving in the same position. G.C.M. would be proud.

We often talk about our visit to Paris and, of course, your many kindnesses to us. Incidentally, little Marjie who is a lover of animals has told all of her friends about your talented Cat. We do hope you still have her.

I recognize that your contacts have been few but so often casual associations have been meaningful. Do pay us a visit. Love, [redacted]
